

**IN THE DRAWINGS:**

A new set of Figs. 8 - 10 are being submitted with this Amendment to further illustrate a preferred embodiment of the claimed invention. In particular, the new Fig. 8 shows a side view of the essential parts of the first embodiment of the present invention with second slide 65 of Fig. 1 at position  $H_0$  of Fig. 2. The new Fig. 9 shows a side view of the essential parts of the first embodiment of the present invention with the second slide 65 of Fig. 1 at position  $H_1$ . The new Fig. 10 shows a side view of the essential parts of the first embodiment of the present invention with the second slide 65 of Fig. 1 at position H. Applicant requests that the Examiner approve the additional drawings of Figs. 8 - 10 as submitted. The new Figures show side views of the first embodiment of the present invention and adds no new matter to the Application.
